Dharma Words

Great Mountain,
the One Mind devoted to
just the plum blossom,
let one dot of blossom break open
and its fragrance fills all worlds.

light and subtle,
perfect, complete,
dependent on nothing for its wholeness,
it is revealed as our own life.

In accord with wisdom and ignorance,
view and circumstances,
we make peace and we make trouble.

In accord with situations,
we come to know our life fully
and make use of it.

Iiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiii!

Our deepest gratitude
for pointing toward this great freedom
already our own.

Inexpressible gratitude
Endless bows
In all movement---bowing
In each movement---bowing
bowing,
bowing,
bowing
